Dear Participant,

We want to share with you our enthusiasm and energy, which remain intact as we haven't stopped working for a single day. Since the event was approved at the last National Assembly in May, we are as motivated as we were at the beginning—with the same passion and dedication as always. We have aspired, and will continue to aspire, to make this event a space for gathering, brotherhood, reflection, and celebration where Scout values are ever-present.

In the following pages, you'll find updated details about the camp we are organizing. For us, it's a source of pride and joy to see how this great dream, born some time ago, is becoming a reality thanks to the effort and commitment of everyone involved.

We are still convinced that what lies ahead will be amazing. Camps, as we've said before, are unique experiences that allow us to connect with nature, develop new skills, and create unforgettable memories. In this outdoor environment, away from the daily hustle and bustle, we can relax, have fun, and live adventures that challenge us to grow and work as a team. Don't miss the chance to be part of this one-of-a-kind experience!

On behalf of the entire coordination team, we want to share our energy and commitment with you. We are confident that this event will be an unforgettable adventure full of learning, and we are working to make it happen. Get ready to experience something truly unique!

We look forward to seeing you soon at this great celebration!

The Coordination Team

WHY A NATIONAL JAMBOREE?

It has been eight years since we last met in San Gregorio de Polanco, where we took part in the Tingó Camp: “The Joy of Gathering.” Since then, we’ve held national camps for specific branches. We also remember the 2002 National Camp in Colonia.

It's time to keep dreaming and planning large-scale events where not only MSU Scouts can participate, but also members from other organizations—even international delegations.

A camp is a space for growth, learning, and exchange. We want the educational proposal to be high-quality, safe, and attractive for everyone.

This story is all about you!

OBJETIVE

To celebrate a National Jamboree in January 2026, bringing together young people, girls, boys, and adults to experience the Scout proposal in a different way, in line with the MSU's educational guidelines. A celebration of MSU's vitality with an unforgettable event.

LOCATION

Located in Maldonado, in the town of San Carlos, just an hour and a half from the International Airport and 10 minutes from San Carlos itself, at the “Sociedad Criolla Los Coronillas.” This is a green, wooded space with 37 hectares available for all our camp activities. It’s accompanied by the peaceful San Carlos stream, suitable for swimming and perfect for enjoying various activities.

DATES

Cub Scouts (Lobatos y Lobatas): 5 days – January 20 to 24, 2026

Scouts, Explorers and Scout Network: 8 days – January 17 to 24, 2026.

WHO PARTICIPATES?

The camp is open to all members of the Movimiento Scout del Uruguay (MSU), other national Scout organizations, and international Scouts as well.

WHAT WILL WE DO?

A program will be created based on the needs and interests of participants so that everyone can live the adventure of this camp, have fun, get to know the local culture, and enjoy unforgettable experiences through games, city tours, workshops, service activities—all while living the Scout Method. The goal is to ensure the Jamboree is a safe and sustainable space.
