International Commissioners

National Jamborees in Germany 2024

Dear International Commissioners,
Dear friends in Scouting and Guiding,

As we continue to foster the spirit of international scouting and guiding, we extend a warm invitation to scouts and guides from around the world to embark on exciting adventures within the heart of Europe. It is with great pleasure that I share with you this invitation booklet to several (regional) camps taking place in Germany in 2024. This document not only serves as a valuable resource but gives you an insight to the diverse and enriching experiences that await you in German scouting and guiding.

To make your planning process seamless, we have included a list of several camps, sorted in order of their start dates. Each entry also includes all relevant contact details, information about the camp itself as well as the respective target group.

Whether you are drawn to Germany's coastal beauty, the enchanting forests, or the vibrant cultural scenes, we believe that these camps will offer an exciting experience for all participants. The camps are organized by our member associations within the Ring deutscher Pfadfinder*innenverbände (rdp, German Scout and Guide Federation), which comprises five scout and guide associations based on religious affiliation.

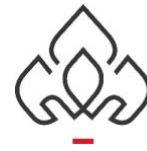

- **Bund der Pfadfinderinnen und Pfadfinder** (BdP, interreligious, co-ed)
- **Deutsche Pfadfinderschaft Sankt Georg** (DPSG, Roman Catholic, co-ed)
- **Verband Christlicher Pfadfinderinnen und Pfadfinder** (VCP, Protestant, co-ed)
- **Pfadfinderinnenschaft Sankt Georg** (PSG, Roman Catholic, guides only)
- **Bund Muslimischer Pfadfinder und Pfadfinderinnen Deutschlands** (BMPPD, Muslim, co-ed)

However, it's important to note that all our associations welcome individuals of any faith. Feel free to explore the associations that resonate with you, and don't hesitate to connect with new associations. Also, our associations follow a federal structure, hosting camps at various levels, ranging from local groups to districts, states, and national events. So, whether you're interested in a local adventure or a nationwide gathering, there's probably the right camp for you and your group depending on your preferences.

On behalf of the organizing committees and the entire scouting and guiding community in Germany, we extend our warmest welcome. We look forward to sharing our adventures of scouting and guiding and creating memories that will last a lifetime.

Yours in scouting,

Clara Drammeh
International Commissioner WOSM | German Guide and Scout Federation

BdP Niedersachsen "Drunter und drüber" (regional)

The Lower Saxony regional association of the Bund der Pfadfinderinnen und Pfadfinder (BdP) invites you to their regional camp. The BdP is the biggest inter-religious scout association in Germany. We combine the scout-method with the traditions of the German youth movement. These heritage results in a very active singing culture, long nights at the campfire and in particular the famous black tents. If you want to experience the "Schwarzzeltromantik"

(noun, German) Traditional German black tents creating a uniquely Scout-camp atmosphere; (lit.) black tent romanticism) join us at our regional jamboree.

With the camp motto "Drunter und drüber" (which is a German way to say "chaotic", but in a very cute way) we will gather for four days to play, sing, be creative, and have a good time together. As

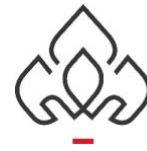

international guests, you will have a German host group to spend the camp with. After the camp, there will be one extra day to organize a fun activity with your German partner group in their home town, like for instance a homestay for one night. The main languages during the camp are going to be German and English. There is the possibility to access governmental funding for all camp related costs – you would only have to cover the travel expenses. To apply for these you need to register until 15.01.2024.

BdP Bayern Regional Jamboree (regional)

The Bavarian Region of the BdP would like to invite you to their regional jamboree 2024. The BdP is the biggest inter-religious scout association in Germany. Our work is guided by the principle of “youth for youth” – as a result our unit and group leaders are aged 16 to 20 years. On the other hand we do only have a very limited number of adults older than 30 years in our rows. Our camp will be taking place from the 18.05.2024 to the 26.05.2024 at the Willy-Brandt camping grounds in Reinwarzhofen south of Nurnberg. Our motto for the camp has yet to be revealed – but it will be awesome! Groups between 7 and 16 years are welcome – the camp is aimed at 12-16 year old scouts. Though there will be age-appropriate entertainment for all. There is the possibility to access government funding if you register early enough.

VCP Württemberg Regional Jamboree (regional)

We are inviting your Scout Association or Group to the “VCP Württemberg Landeslager 2024” or Regional Jamboree in Germany which will be held from 25th of July 2024 to 3rd of August 2024. This event promises to be an exciting opportunity for scouts to come together, share ideas and experiences, and create unforgettable memories.

As a Member of WAAAGS and WOSM we would be honoured to have groups from your country to join a partner group from Germany and enjoy together our first Regional Jamboree in Germany for 8 years. We believe that your presence would not only enrich the experience for all participants but also strengthen the bonds between our organizations.

The Regional Jamboree will feature a range of activities, including camping, hiking, and team-building exercises and potentially a special trip with your partner group. It will also provide an opportunity for participants to learn about German culture, German scout culture and meet scouts from other countries. The event is open to scouts from all backgrounds, and we are confident that everyone will find something to enjoy.

VCP Hesse “Land unter?” Regional Jamboree (regional)

Next summer we are gonna celebrate a unique camp. The Landeslager is the highlight in the calendar of the VCP Hessen. We are expecting ca. 700 scouts and guides to spend eleven days together. The motto of the 2024 Landeslager couldn't be more serious: Land unter? It refers to the challenging climate crisis. But there is a „?“ behind the motto. Can we make a difference? In our humble opinion we think yes. As scouts and guides we also promised to take care of nature and improve structures of a community who cares and who helps. And as scouts and guides we know exactly that this effort cannot be successful without playing and singing together. We are also prepared to have fun.

So, the Landeslager gives you the opportunity to improve your skills, making new experiences and share your skills as well. How can we protect nature? How can we minimize pollution and our co2-emissions? How can we get involved into politics that support the protection of nature?

We try to realize a big camp with low emissions and high pleasure, with small amount of garbage and a big amount of fun. We do a vegetarian camp, and we try to avoid emissions traffic wise.

Scouting & Guiding is a local movement – worldwide. We think that internationality is a fundamental part of the spirit of the scout movement. And we are eager to learn from you!!! Your skills, your ecological efforts, your games, your songs!

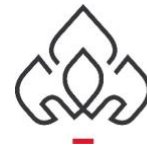

Especially when you have to travel a big distance, transport is crucial. We like to support you in these questions, please get in touch with us.

Ragazzi, copains, folks, companeros: Do you want to come to the „Land unter?“

On the behalf of our sweet camp leaders Lea, Robin, Kolja and Vivien we cordially invite you to join „Land unter?“ 2024.

Yours in scouting
