

Dear friends in guiding and scouting!

On behalf of The Guides and Scouts of Sweden, we are pleased to invite you to participate in the Swedish National Scout Jamboree 2026.

Participants

Scouts and guides are all welcome, as are groups from national scout organisations and associations. All ages are welcome to join but the program activities are aimed for participants in the age groups 10-11, 12-14 and 15-17 years old.

Those 18 years or older can participate either as leaders for a group of scouts or as camp staff (IST). We offer a wide range of volunteer camp staff tasks.

Twin groups

It is our aim that international scout groups will be paired with a hosting Swedish scout group well in advance so that you can make contact and prepare your practical arrangements for the camp.

Why Attend Jamboree26?

- Experience the largest scout camp in Sweden: Swedish national jamborees are held every four years and represent the pinnacle of Swedish scouting. Attending is a chance to experience scouting in Sweden and at the same time meet thousands of scouts from different countries and cultures.
- Innovative methodology: At Jamboree26, we test new methods and activities designed to inspire and enrich your Scouting experience back home.

- Collaborative spirit: The theme for Jamboree26 is "Together". Every participant is a co-creator of the camp, contributing to a vibrant and inclusive environment.
- Global scouting community: With a goal of having 10% international participants, Jamboree26 offers a truly global scouting experience.
- Support from a Swedish troop: Our aim is to connect you with a Swedish scout troop to assist your practical preparations—such as sharing or arranging equipment that may be difficult to transport.
