Dear Friends in Guiding and Scouting,

We are very excited to invite Rovers and Rangers from your Associations to take part in the great adventure of WW'24: Polish Ranger and Rover Moot - Wędrownicza Watra "Let's be!" 2024 taking place in Kraków. Here's all of the basic questions answered:

What is WW'24?

Wędrownicza Watra is a year-round project for ranger and rover communities, which culminates in a moot lasting several days. It's also a great opportunity to serve where a helping hand of a friendly scout or guide is needed. The moot is preceded by trekking camps organised by Polish rover and ranger units on individual bases. The international participants may but do not have to join such camps in Poland or organise them at home.

When will WW'24 take place?

21st - 25th August 2024

However please keep in mind that the moot is the cherry on top. You can plan a lot of exciting events before! We encourage you to take part in on-site or trekking camps all across Poland held by different ranger and rover units. An acclimatisation visit held before the WW'24 and cooperation with the local rangers and rovers would undeniably enrich your experience and let you explore Poland. You can count on our assistance if you would like to undertake such a trip.

Where will WW'24 take place?

In Kraków, the city of the Polish kings and multicultural atmosphere, where the history and modernity combine. Not far from nature, still in the hustle of the urban life. A 19th century modernised "Jugowice" Fort, housing a museum and the centre of the scouting and guiding movement in Poland, will serve the role of the accommodation hub during Watra.

Who is organising WW'24?

The Polish Scouting and Guiding Association (ZHP) - the biggest scouting and guiding organisation in Poland, member of WOSM and WAGGGS. It is registered as an independent legal entity in Poland providing dynamic, value-based, non-formal educational and leadership training programmes for young people between the ages of 6 and 21. Learn more about ZHP here: <https://zhp.pl/en>.

How much does it cost?

The participation fee is €55 per person. It includes: camping site during the moot, access to sanitary facilities, drinking water and hot water for cooking (at certain times), gas burners and basic cooking equipment, charging station, participant kit, and programme activities. Please note that transportation to the campsite, food and sleeping accommodation (tents, sleeping bags, hammocks, etc.) are not included in the price and you will need to take care of the meals by yourselves and prepare them together with your patrol members.

Why go to the WW'24?

There is nothing like the indomitable ranger and rover spirit constantly seeking for adventure, ready to go out into the open world to see, to think, to help and to act. Watra is an excellent opportunity that resonates with our ranger and rover nature.

You will get to have an unforgettable time meeting new friends, learning new skills, exploring various stories, cultures and folklore and being in service to leave the world just a bit better place.

How can I participate?

To take part in the event with your patrol please fill in the registration form: <https://forms.office.com/r/8KVPi1NYzx>

However please bear in mind that before you register, make sure you checked the event regulations with detailed terms and conditions of participation (attached). You will also find it on the event website: https://watra.zhp.pl/i_s/.

If you have any more questions, we are happy to answer them. Please contact us via e-mail to watra@zhp.pl and Watra Team members will get back to you.

Let's be together in Kraków this summer!

Wędrownicza Watra 2024 Team
